

# **GAME TRUCK/BUS SANITIZING PROCESS**

To ensure the health and safety of our game coaches and guests we are implementing the following sanitizing process:

1. Our game trucks will be disinfected with a fogging system before and after all parties
2. Prior to entering the game trucks all guests must use hand sanitizer, face coverings are optional.
3. Controllers will be sanitized before, during, and after parties.
4. Our game coaches will wear a face mask for the entire duration of your event.
5. No more than 16 guests inside the game trucks at a time. Any additional guests will either need to rotate or play games outside of the game truck. \*Game Bus allows up to 16 guests at a time.
6. We will do our best to encourage social distancing while among guests inside the game trucks.

In the event of someone risking the health and safety of others (excessive coughing, sneezing and or exhibiting other signs of illness) they will be asked to leave the game truck. We appreciate your assistance to ensure the health and safety of everyone. Please let us know if you have any questions or concerns. Thank you!
