We do not provide water for the buckets, taggers and or balloons. Water tag is not normally staffed, a team member will drop off and explain the equipment then leave and return later to collect the equipment. We must have a safe and approved place for your guests to play. Most people will play in their own backyard however water tag can be played in a variety of settings like grass areas within your neighborhood, your backyard, a cul de sac, parking lots and or nearby parks *if there is a good water source. If you feel there is not enough room at your house or would like water tag to be set up somewhere else, please give PVRGT a call; we will review the satellite/street view images of your house and determine the best solution.

***If you have any issues during your event please call (602)920-6014 and we will help determine the best solution to ensure you and your guests have a great experience. ***
